

EDISON HIGH SCHOOL WRESTLING BOOSTER CLUB

Dear Sponsor:

This years school budget cuts have severely impacted high school sports programs. Now more than ever donations are needed to fund these programs, such as wrestling, and keep them available for our young adults.

Edison Wrestling has been enjoying several years of stellar achievements, Back-to-Back CIF Championships, sending several young men to the State Championship over the last 4 years, and produced a first ever State Champ, who was offered full-ride scholarships to several PAC-10 Colleges.

This year 40 dedicated, hard working, young men are following in these footsteps with the goal of attending a PAC-10 College. With your generous donation they will have the opportunity to participate in a truly challenging program that demands both academic and physical dedication to achieve their goal.

To encourage contributions to our wrestling program, we have taken the time and expense to become an IRS section 501 (c)3 Corporation. All contributions to the **Edison High School Wrestling Boosters** are tax deductible. Our Tax ID # appears at the bottom of this letter.

Thank you in advance for helping support these young men.
Go Charger Wrestling!

Respectfully,

Mary Drucker, Treasurer
Edison High School Wrestling Booster Club
